## Coptic Orthodox Church Brentwood - California

Ἐκκλησία ἡμετέρα φηθεοῦαβ Ἀπὸ Πιστῶν ἡμετέρας ἡορθόδοξος εἰεν Βρεντῦουδ

Beloved brothers and sisters,

In 2022 began the vision of establishing a Coptic Orthodox church in Brentwood, CA, under the Archdiocese of Northern California & Western USA, to serve the growing community in this area. His Holiness Pope Tawadros II graciously approved the establishment of the church and gave it the blessed name St. Bishoy COC, a formal decision was issued on November 22, 2025, allowing prayers to begin, marking the birth of this blessed spiritual home.

By God's grace, our church has already been blessed with growth, fellowship, and active ministry. We are now prayerfully moving toward securing a church property, a permanent spiritual home where worship, sacraments, service, and Christian upbringing can continue for generations to come.

To sustain our ministries and take this important step forward, the church is seeking to raise \$1,100,000 this year. We invite everyone to pray and donate with a joyful and willing heart, trusting that God provides through His people. Additionally, if anyone is able and willing to offer interest-free support or a temporary loan of any amount, we kindly ask that you reach out, as this would greatly assist the church.

May the Lord bless every offering, great or small, and multiply it for His glory.

For any questions regarding donations or support, please contact:

Church Treasurer: Michael Awadalla
